

Australia's Biggest BUSINESS Morning Tea

Get Involved !

1 Attend the event

Australia's Biggest BUSINESS Morning Tea is the Shire's Premier Business Networking Event to enable local businesses to unite, network, and do business - while having fun and raising money for a fantastic cause: The Cancer Council.

Last year we had 300 attendees, over 20 business sponsors, networking partners, media coverage, and most importantly, raised over \$30, 000 for the Cancer Council.

This year's new venue, Doltone House, provides the ultimate atmosphere for our exciting ballot auction.

Raffles, prizes, business cocktail tables, and show bags full of offers and gifts are only the beginning!

Morning Tea includes a selection of scones with fresh jam & cream, cheese platters, fresh fruit platters, and continuous tea and coffee.

We are excited to announce that our 2017 keynote speaker is Michele Bullock, Assistant Governor (Financial System) of the Reserve Bank of Australia. Michele will be sharing with us some thoughts on the Australian financial system and the forces shaping recent developments, potential risks to the Australian economy and financial system, and some of the significant changes occurring in the payments and technology space that small business should be aware of.

- Thursday, May 25th 2017 ► From 8:30am - 11:30am ► \$48.50 per head; or purchase a whole table of 10 for \$455 - invite your team members and network your business through the room! ► Doltone House: 233 Belgrave Esplanade, Sylvania Waters 2224. ►

To book your ticket, have fun, build business and raise money for Cancer research, simply log onto our website www.nine2three.com.au/abbmt, email Veronica at accounts@nine2three.com.au, or call us on 1300 923 000!
