Dear Di Davenport

I would like to offer my sincerest thanks for your efforts in supporting the small business community this October during NSW Small Business Month.

Your support as a Collaboration Partner plays a vital role in making this initiative a success. This year, our 210 Collaboration Partners collectively organised and delivered more than 300 events across New South Wales. These events provided small businesses with valuable opportunities to build networks, develop new skills, and strengthen their capabilities.

Please find enclosed a Certificate of Appreciation from the NSW Small Business Commission, acknowledging your contribution.

Thank you again for your support of the small business community this October. We hope you will consider joining us again in supporting the small business community of New South Wales.

Yours sincerely
